

## **Marlene Owens**

### **Homeland Security**

Marlene Owens is the Department of Homeland Security's (DHS) representative to the FLC. Ms. Owens recently joined DHS Science & Technology (S&T) as the Technology Transfer Program Manager, responsible for establishing an ORTA and transferring technologies from the Department of Defense and other agencies.

Prior to joining DHS, Ms. Owens spent sixteen years at DOD working for the Defense Threat Reduction Agency, Missile Defense Agency, and the U.S. Army. At DOD, Ms. Owens worked as a Program Manager/Systems Engineer in various capacities in the missile defense and chemical-biological defense communities.

Ms. Owens has a M.S. in Systems Engineering and a B.S. in Industrial Engineering.
